

Post-Survey

Please complete the survey below.

Thank you!

Post-Session Attitude Assessment

- 1) On a scale of 1-10, how confident are you that you can reliably facilitate delivery standard of care resuscitation for an in-hospital cardiac arrest? (meaning, almost every time you lead a code, patients receive the standard of care) 1 is not confident at all, 5 is neutral, 10 is very confident.
- ☐ 1

☐ 10
-
- 5) Would you be interested in receiving additional learning resources and/or periodic reminders related to running code blues / RRTs? If so, which is most appealing:
- ☐ Not interested
☐ Anki flashcard deck with high yield facts
☐ Newsletter style reminders delivered by email
☐ Text-delivered snippets at start of ward rotations.
-
- 6) If you have ideas for ongoing reminders or additional resources not listed above, list them here:
- _____
